Background

This agenda item is primarily to provide the public an opportunity to address FGC on topics not on the agenda. Staff also includes written materials and comments received prior to the meeting as exhibits in the meeting binder (if received by the written comment deadline), or as late comments at the meeting (if received by the late comment deadline), for official FGC "receipt."

Action on regulation change petitions and non-regulatory requests received at previous meetings is scheduled under separate agenda items titled "Petitions for regulation change" and "Non-regulatory requests."

Significant Public Comments

All written comments were summarized and provided as exhibits under Day 1 "Public comment for items not on agenda."

Recommendation

Consider whether any new, future agenda items are needed to address issues that are raised during public comment and are within FGC's authority.
